Privacy policy

Use the information

1. Coinvictory will use and disclose your personal information as follows in accordance with this Agreement:

(a) Personal registration information you provide to Coinvictory and its affiliates when you register or start an account with access to our platform (except business registration information such as enterprise name and information of natural persons and operators required to be disclosed as required by laws and regulations);

(b) When you use Coinvictory, Coinvictory will record information on your browser and computer, including but not limited to your IP address, browser type, language used, date and time of access, hardware and software characteristics information, and web page records you require

(c) user personal data obtained by Coinvictory from business partners through lawful means. If you do not wish us to collect the above personal data, you may opt out at any time by informing our Personal Data Protection Officer in writing. For more information about opt-out, see Withdrawing Consent, Deleting, Requesting Access to or Modifying Information You Provide Us. However, please note that withdrawing or withdrawing your consent to our collection, use or processing of your personal data may affect your use of the Service.

2. We use the above information to make transactions and execute orders for users, to provide support to users and to comply with legal obligations (AML/KYC obligations).

3. Coinvictory doesn't offer any independent third-party, sell, rent, share or trade your personal information, unless get your permission in advance, or the third-party and Coinvictory (including Coinvictory affiliates) alone or together to provide the service for you, and at the end of the service, it will be banned from access to be able to access all the information including its before. Coinvictory does not allow any partner to collect, edit, sell or distribute your personal information for free by any means. If any Coinvictory user engages in any of the above activities, Coinvictory reserves the right to immediately terminate the service agreement with such user.

4. If you are not a natural person with full capacity for civil rights and full capacity for civil acts, you are not entitled to use the Services. Therefore, Coinvictory hopes that you will not provide us with any personal information.

Information disclosure

5. Under the following circumstances, Coinvictory will disclose your personal information in whole or in part according to your personal will or the provisions of law:

- (a) with your prior consent to disclose to your partners;
- (b) If you are an eligible IP complainant and have filed a complaint, at the request of the Respondent, disclose it to the Respondent so that the Parties may resolve any possible rights dispute;
- (c) Disclosure to the cooperative vendor or to the administrative or judicial authorities in accordance with the relevant provision of law or the requirements of the administrative or judicial authorities;
- (d) If you violate relevant laws, regulations or this Agreement, you need to disclose it to your partner;
- (e) you must share your personal information with your partners in order to provide the products and services you require;
- (f) In a transaction created on Coinvictory, if any party to the transaction fulfills or partially fulfills its transaction obligations and requests for information disclosure, Coinvictory has the right to decide to provide the user with the contact information of the counterparty and other necessary information to facilitate the completion of the transaction or the resolution of the dispute; and
- (g) such disclosure as Coinvictory deems appropriate in accordance with law, regulation or Site policy.

Information security

6. Your account has security protection function, please keep your account and password information properly. We will backup your information to other servers, encrypt your password and other security measures to ensure that your information will not be lost, misused or altered. Notwithstanding the foregoing, please note that there are no "perfect security measures" on the information network. When using the Service for online transactions, you will inevitably have to disclose your personal information, such as contact information or postal address, to counterparties or potential counterparties. Please protect your personal information and provide it to others only when necessary. If you find that your personal information is leaked, especially your account and password, please contact Coinvictory customer service immediately so that Coinvictory can take corresponding measures.

7. We will retain personal information in accordance with the Personal Data Protection Act and/or other applicable laws. That is, we will destroy or anonymize your Personal Information when we reasonably determine that: (i) the retention of such Personal Information is no longer consistent with the purpose for which it was collected; (ii) the retention of such personal information is no longer legally or commercially necessary; (iii) there are no other legitimate rights to retain the personal data further. If you cease to use the Service, we may continue to store, use and/or disclose your Personal Information in accordance with this Privacy Policy and obligations required by the Personal Data Protection Act and/or other applicable laws.

Coinvictory will update this Privacy Statement from time to time. We will post the changes to the privacy statement on the web page.
